

Watch Your Business Grow

Watchfire by Time-O-Matic engineers and manufactures the best looking, most durable **outdoor LED displays** to help your customers get noticed.

But don't take our word for it.

Watchfire makes a quality sign that will stand the test of time and deliver unmatched customer service.

- John Cooper, Sr., CEO of Cooper Sign Co., Inc.

We're a Watchfire dealer because their signs work great; they're incredibly low-maintenance and a great value.

- Brian Ward, A-Max Sign Company

Thanks and congratulations for running such a customer-focused company.

- Phil Garland, Nesper Sign Advertising, Inc.

In full color or monochrome, every sign **Watchfire** makes comes with easy-to-use software to display timely, relevant, eye-catching messages that drive traffic and revenue- 24/7.

All **Watchfire** LED signs are designed for energy efficiency and weather resistance and are made with pride in Danville, Illinois.
