

Murphy's Law is One Thing You Can Count On Assurant's Accident Coverage is Another

Give your clients the peace of mind that comes from knowing that even if the unexpected happens, they're covered. In the event of a covered accident, Assurant's Accident Coverage pays cash your clients can use for anything they need.

Our Coverage Lets Your Clients Live Life – While We Handle the “What ifs”

Assurant's Accident Coverage offers multiple benefits that add up quickly and pay your clients:

- Immediately – there is no waiting period
- Over and above any benefits they receive from other plans
- No matter which doctor or hospital they choose
- Even while they recover; benefits include follow-up treatment and physical therapy
- With no annual or lifetime limits – no matter how many accidents they have

Good Coverage is No Accident

Enroll your clients in Assurant Health's Accident Coverage, and:

- Help your clients pay their unexpected expenses in the event of a covered accident
- Help you meet your need for a steady stream of income, while making your clients happy in the process
